What Other Magicians Are Saying About Volume 2 of The Sacred Names Series

"THE 72 ANGELS OF THE NAME - CALLING
ON THE 72 ANGELS OF GOD "

"I love this book. I have downloaded it on Kindle Unlimited so many times it's crazy. I check out a lot of books each month. Maybe hundreds and this is always the one I've kept the longest, so although I've read it again and again I finally decided to buy it. I only wish it were hard copy. I know that what Kadmon talks about is true. Before I had even known anything about Angel Psalms (as I call them) I prayed the psalms everyday without fail and I noticed at my job (which I've been on for 14 years), all my friends and co-workers that I started with are gone--most were laid off, some fired,

some quit, but I'm the lone survivor and the one Psalm I had been reading often was Psalm 26 in which Kadmon states the Angel that belongs to that Psalm is for protecting your job. There's another I had been automatically saying each day too for health and I overcame a fast moving cancer that my Oncologist was even amazed. The first week of chemo my lump was mush and she said that's unusual. I'm 4 years cancer free. I told my sister about this book and she downloaded it and prayed for prosperity. She knew she was not being paid fairly at her job and when it was time to get raises she was shocked that she had received over \$7000 a year. I will continue to look for books by this author. I've read some of his others and they are just as great. I hope s/he will continue to put out great books." - Amazon Review

INTRODUCTION

In the second volume of the **Sacred names series** :

"[THE 72 ANGELS OF THE NAME - CALLING ON THE 72 ANGELS OF GOD](#)" I discuss the 72

angels of God that correspond to the 72 Names of God. In this book, we will discuss the 72 demons of the name. Yes, there are 72 demons that are the shadow images of the 72 angels of the name.

In this text, we will discuss the 72 demons that correspond to the 72 names of God. Each demon has its purpose. Working with the demons, differs in intensity. They are more , how shall we say, assertive. Whereas the angels appear in gentler forms (with a few exceptions of course).

In this book, we will discuss how to communicate with these demon. The rituals are similar to the ones we used for the 72 angels. However, there are

a few differences. For one, we will do a quick protection ritual before we call on them and upon banishing them, we will give them an offering. **It's this extra step that might make some a bit nervous. No worries, we will not be killing anything, but we will offer something that had potential life in it. This step is crucial for your ritual to work.**

Like "[THE 72 ANGELS OF THE NAME - CALLING ON THE 72 ANGELS OF GOD](#) " I will , of course explain the 72 names of God and then proceed with the rituals. If you have read the 72 Angels of the Name and the 72 names of God, you can skip chapter 1 in this book.

Let us continue.

Chapter 1: The Significance Of The 72 Names Of God

(Excerpted from "[The 72 Names of God: The 72 keys to Transformation](#)")

The 72 names of God is derived from the Exodus 14:19-21. In reality, the 72 Names of God are essentially 1 name comprised of 216 letters. So in that sense it is a name with 72 parts. The name is divided into triads which means that every name is comprised of 3 letters. To create the first name you combine the first letter of Verse 14:19 the last letter of Verse 14:20 and the first letter of verse 14:21. You would continue this until all the letters in these verses are used.

Here is what these verses look like in Hebrew.

יט וַיִּסַּע מֶלֶאךָ הָאֱלֹהִים, הַהֹלֵךְ לִפְנֵי מַחֲנֵה יִשְׂרָאֵל, וַיֵּלֶךְ, מֵאַחֲרֵיהֶם; וַיִּסַּע עֲמוּד הָעָנָן, מִפְּנֵיהֶם, וַיַּעֲמֵד, מֵאַחֲרֵיהֶם.

כ וַיָּבֹא בֵּין מַחֲנֵה מִצְרַיִם, וּבֵין מַחֲנֵה יִשְׂרָאֵל, וַיְהִי הָעָנָן וְהַחֹשֶׁךְ, וַיִּאָּר אֶת-הַלַּיְלָה; וְלֹא-קָרַב זֶה אֶל-זֶה, כָּל-הַלַּיְלָה.

כא וַיֵּט מֹשֶׁה אֶת-יָדוֹ, עַל-הָיָם, וַיּוֹלֶךְ יְהוָה אֶת-הָיָם בְּרוּחַ קָדִים עֲזָה כָּל-הַלַּיְלָה, וַיִּשָּׁם אֶת-הָיָם לַחֲרָבָה; וַיִּבָּקְעוּ, הַמַּיִם.

Here is the English once again:

" ¹⁹ Then the angel of God who was going before the host of Israel moved and went behind them, and the pillar of cloud moved from before them and stood behind them, ²⁰ coming between the host of Egypt and the host of Israel. And there was the cloud and the darkness. And it lit up the night^[a] without one coming near the other all night.

²¹ Then Moses stretched out his hand over the sea, and the LORD drove the sea back by a strong east wind all night and made the sea dry land, and the waters were divided."

Exodus 14:19-21

For Illustrative purposes I will show you how

some of the names are derived from the 3 Hebrew passages.

For the first name, I will highlight the letters in yellow, second name in red and third name is green. I will not go through this process for every name, I just want to show you how the names were derived. All the names will be derived for you at the end of the chapter so you do not need to do this laborious process yourself.

Name one:

ידו

יט וַיִּסַּע מִלֶּאֶד הָאֱלֹהִים, הִהָלֵךְ לִפְנֵי מַחֲנֵה יִשְׂרָאֵל, וַיִּלָּךְ, מֵאַחֲרֵיהֶם; וַיִּסַּע עֲמֹד זַעֲזָעוֹן, מִפְּנֵיהֶם, וַיַּעֲמֵד, מֵאַחֲרֵיהֶם.

כ וַיָּבֹא בֵּין מַחֲנֵה מִצְרַיִם, וּבֵין מַחֲנֵה יִשְׂרָאֵל, וַיְהִי הָעֲנָן וְהַחֹשֶׁךְ, וַיֹּאֲרֶאֱת-הַלֵּילָה; וְלֹא-קָרַב זֶה אֶל-זֶה, כָּל-הַלֵּילָה.

כא וַיִּט מֹשֶׁה אֶת-יָדוֹ, עַל-הָיָם, וַיּוֹלֵךְ יְהוָה אֶת-הַיָּם בְּרוּחַ קָדִים עֲזָה כָּל-הַלֵּילָה, וַיִּשָּׁם אֶת-הַיָּם לַחֲרָבָה; וַיִּבָּקְעוּ, הַמַּיִם.

Name two:

יְלִי

יט וַיִּסַּע מִלֶּאֶד הָאֱלֹהִים, הִהְלֵךְ לִפְנֵי מַחֲנֵה יִשְׂרָאֵל, וַיֵּלֶךְ, מֵאַחֲרֵיהֶם; וַיִּסַּע עֲמֹד הָעֵנָן, מִפְּנֵיהֶם, וַיַּעֲמֵד, מֵאַחֲרֵיהֶם.

כ וַיָּבֹא בֵּין מַחֲנֵה מִצְרַיִם, וּבֵין מַחֲנֵה יִשְׂרָאֵל, וַיְהִי הָעֵנָן וְהַחֹשֶׁךְ, וַיֹּאר אֶת-הַלֵּילָה; וְלֹא-קָרַב זֶה אֶל-זֶה, כָּל-הַלַּיְלָה.

כא וַיֹּט מֹשֶׁה אֶת-יָדוֹ, עַל-הָיָם, וַיּוֹלֶךְ יְהוָה אֶת-הָיָם בְּרוּחַ קָדִים עֲזָה כָּל-הַלַּיְלָה, וַיִּשָּׁם אֶת-הָיָם לַחֲרָבָה; וַיִּבָּקְעוּ, הַמַּיִם.

Name Three:

סיט

יט ויסע מלאך האלהים, החלך לפני מחנה ישראל, וילך, מאחריהם; ויסע עמוד הענן, מפניהם, ויעמד, מאחריהם.

כ ויבא בין מחנה מצרים, ובין מחנה ישראל, ויהי הענן והחשך, ויאר את הלילה; ולא קרב זה אל-זה, כל הלילה.

כא ויט משה את-ידו, על-הים, ויולך יהוה את-הים ברוח קדים עזה כל-הלילה, וישם את-הים לחרבה; ויבקעו, המים.

As you can see, it is not too difficult extracting the names from the passage.

According to the Jewish Mystical tradition, the discovery of the 72 names was a huge spiritual breakthrough. The prime text in the Jewish mystical tradition (The Zohar) states that the moment Moses discovered the 72 names and how he could use them this changed everything for the Jewish people. As they were crossing the Red Sea at first, the water did not part. They were up to their necks in water. But when , In faith Moses used the 72 names of God, the water parted. It was only after this event did the actual verses get put on paper. As you can see, it is not so much history as it is a story behind the name and where it came from. This lack of historical evidence is by no means an indication that it is not true or powerful . One thing we do know for certain is that the names are powerful. People from all over the world and

from all walks of life have used these names to change their lives. If you want to learn how to use the names please check out "[The 72 Names of God: The 72 keys to Transformation](#)". In this book we will discuss only the 72 demons of the name.

Chapter 2: Demons: From Ancient Greece, Solomon, Jesus And Kabbalah

Another aspect that almost religions share is the belief in demons. Evil entities that purposely go about derailing mankind's best efforts. Leading humans astray from God.

Since we will be dealing with the a mostly western conceptions of demons, I will not go into great depth about demons in other cultures; that I will reserve for a future text. For now and for our purposes we will deal with the Judeo-Christian conception.

Before that, let me first discuss some basic ideas before we delve into the Judeo-Christian conceptions of what demons are.

The word demon itself is derived from the Greek word Daimon sometimes spelled daemon. We see notable references to daemons in the various works of Plato. Daemons were considered the entities that brought Socrates his philosophical inspiration. This might sound odd because in the western conception it would appear that my statement implies he was inspired by devils and demons as we know them to be. Mainly evil and sin-promoting.

However, in ancient Greece, these daemons was not considered evil. In fact they were considered spirits or divine powers. Ancient Greece thought them spirits of inspiration and goodness as in the Greek word "EuDAIMONia" which means " good spiritedness" or happiness as it is often translated. It light of this, it is hard to believe that this word

would so transform to mean something evil in the western tradition. Daemons became demons once Christianity became popular in Rome. As you may know, the Christian belief which was derived from the Jewish one that pagan idols and statues of any kind were presentations of evil, especially those of ancient gods. That is because the Romans and Greeks believed that Daemons inhabited those statues. As Robin Lane Fox put it "Like pagans, Christians still sensed and saw the gods and their power, and as something, they had to assume, lay behind it, by an easy traditional shift of opinion they turned these pagan *daimones* into malevolent 'demons', the troupe of Satan..... Far into the Byzantine period Christians eyed their cities' old pagan statuary as a seat of the demons' presence. It was no longer beautiful, it was infested. - [Robin](#)

[Lane Fox, Pagans And Christians 1989, P. 137.](#)

In the Greek translation of the bible called the "Septuagint" the word daemon first became associated with evil because it was associated with the gods of the ancient Semitic religions. this later passed on to other translations and eventually took on its evil definition and called "demon. With the explanation of what the word actually means, let us discuss the Judeo-Christian ideas about demons .

In Hebrew, the word from demon is "Shedim" . The word shedim can be found only 2 times in the old testament.(In English, of course they are translated as demons.)

The first time it is mentioned is in Deuteronomy 32:17 " They sacrificed to **demons** (shedim), which have no power, deities they did not know,

new things that only recently came, which your forefathers did not fear."

The second time they are mentioned is in Psalms 106: 35-39 " And they mingled with the nations and learned their deeds. 36. They worshipped their idols, which became a snare for them. 37. They slaughtered their sons and daughters to the **demons** (shedim). 38. They shed innocent blood, the blood of their sons and daughters whom they slaughtered to the idols of Canaan, and the land became polluted with the blood. 39. And they became unclean through their deeds, and they went astray with their acts."

We won't get into great detail as to the origin of the word Shedim, but just know it is most probably derived from the Assyrian term "Sedim" which were guardian spirits.

If you have read books on demonology you will notice that certain demons have images. Some appear as human and animal hybrids and the like. Although I do not believe AT ALL that these demons have these bodies nor do I believe they have ever appeared as such, I do believe that they exists, Their images were meant to instill fear in the reader but other than that, they have no actual form. These ghastly images are mostly folkloric in nature. Folklores has it they were formed from serpents since it was the serpent that caused Adam and Eve to fall from Eden. Another story, also involving Adam states that Adams first wife Lilith was the one who spawned demons into existence. The reason she did so was because she was spurned by Adam for her desire to want to be " on top" and after she was caste out for disobeying

Adam and God, she became a demon of the night and her children would create an army of demons whose sole purpose was to undermine humanity and cause man to stray from God. Throughout the Kabalistic traditions, demons were known as Klipot or shells. Clinging on to the soul. In Christian tradition often it is said the demons can possess a person, the Jewish traditions have the same. It is called Dybbuk, which means to "cling" . These spirits were evil spirits that possessed a person, sometimes these spirits were spirits of the restless dead. In essence spirits are not the most benevolent entities out there.

In Christian tradition, the idea of demons is far more developed and we would need an entirely separate book to discuss them in depth, but in short, Demons are minions of Satan. Satan being

once an archangel of God Named Lucifer. Lucifer or the bright morning star as he was also known (Lucifer means bright morning star in Latin) rebelled against God for supremacy and was eventually cast to earth. He and his angelic army would roam the earth forever more. While on the earth they transformed in status from being angels to then becoming demons and devils. So in essence they are still angels. They went " Rogue" I guess you could say and became demons. Tradition has it that while on earth they taught mankind all kinds of magick as well as other things. You can find a rich account of these fallen angels in the books of Enoch. My favorite translation is " [The Books of Enoch: Complete edition: Including \(1\) The Ethiopian Book of Enoch, \(2\) The Slavonic Secrets and \(3\) The Hebrew Book of Enoch](#)" By

Paul C. Schnieders (Author), Robert H. Charles (Translator).

Enoch, amongst other books spawned an interest in the summoning of these demons. However, the calling upon demons needed a bit more clout. This is where King Solomon comes in. It is said he had great powers over the demons and angels for that matter but it also known that Solomon gained his vast wisdom by calling upon these forces. This was rich ancient tradition that went even further back than Jesus. The reason we know this is because Jesus makes an interesting if not somewhat veiled reference to Solomon's power. Mathew 12:42" The queen of Sheba will also stand up against this generation on judgment day and condemn it, for she came from a distant land to hear the wisdom of Solomon. **Now someone**

greater than Solomon is here--but you refuse to listen."

Although Jesus is mentioning that he is of greater wisdom than Solomon, he still mentioned Solomon because he knows that Solomon was considered the most wise person on earth. This, of course, can be gleaned from reading the Old Testament book of kings, as well as the Jewish literature books Ecclesiastes, lamentations and Proverbs that are often ascribed to Solomon. There is, however another passage that is a bit more direct in the book of Testament of Solomon, which is an Old Testament pseudepigraphical book is littered with direct references that Solomon used Angelic and demonic forces to build the temple as well as using them for other purposes. This book is in the public domain

and can be readily found online by searching the title. It is the above mentioned book that the greater keys of Solomon and other magickal texts were eventually derived. The demons in this book are from this tradition. But I digress, there is another text that references Solomon's use of demons . The Apocalypse of Adam, which is a Gnostic Gospel found in the Cache of Gnostic gospels in Nad Hammadi, contains references to a legend in which Solomon sends out his demonic minions to seek a virgin who ran away from him. This text may perhaps be the earliest mentioning that Solomon controlled demons and made them his servants and slaves.

The above leads me to believe that even Jesus knew of the fact that Solomon has this kind of control over demons and angels. And by saying

"...a greater one than Solomon is here..." he was stating that he too has this power. We actually know that he did. Jesus is found controlling demons as many as 25 referenced to him "casting" them out. He clearly had this power as well.

With that said, In the next chapter I will itemize the names of the demons and what they do.

Chapter 3: The 72 Demons and Their Functions

In this chapter, we will go over the demons we will be using. These spirits are derived from the ancient magickal text called the Goetia. Which is known as the lesser of key of Solomon. Unlike that text however, we will strip down the unnecessary formalities and pair down the rituals which will be forth coming. If you would like more information on the Goetia, please reference [Aleister Crowley's Illustrated Goetia](#) . I am not a big fan of Crowley, but he was interesting nonetheless.

Chapter 4 - Making An Offering

Throughout ancient history we have heard of the many traditions that required blood sacrifices to be made to appease a God or a demon. The demons of the 72 names are no exception. **HOWEVER, we will not be making blood sacrifices and we do not need to kill anything.**

Unlike the 72 angels of the name, for the 72 demons, you must make an offering to them as you do your ritual. They are a give and take energy. If you do not give, you cannot take. Even worse, if you do not give, they will take from you something. So it is very important to offer them something in return.

Since we are not in 2000 BC, we cannot offer a blood sacrifices to the demons. However, we can do the next best thing. We can offer them something that was once alive or has life potential. THis might sound very odd to you, but this is what I mean.

You can offer them a piece of meat. Any animal meat you can obtain from the supermarket. If you would rather not use meat, you can use an egg.

The meat is representative of something once alive and an egg contained the potential for life. I know this sounds awful, but this is how one appeases forces that are considered demonic. Almost every book on demonic magick omits this because they are afraid to say it. I am not afraid.

All you will need to do is offer one or the other of those above on a plate to the demon. We will get into how, in the next chapter.

Chapter 5: How To Tap Into The 72 Demons Of The Name

In order to tap into the powers of these demons we need to follow a few VERY SIMPLE steps. Unlike other books on this topic, we will not be doing anything elaborate or time consuming. These energies are spiritual and are not subject to human temperaments. It is silly to assume that we need to cast circles and point to the various directions in order to summon the demons. Do you really think a circle of salt with a few names of God are going to contain these energies? It won't. They are, for all intents and purposes omnipotent compared to the physical world. They are also working through divine will ultimately. We can only ask them for assistance but in no way are we subjugating them

nor will they be subjugated by contrived rituals that even the users who condone them do not know where they really originated from.

Individuals with the titles " Frater" or "Soror" or what have you are simply role playing in occult fraternities and have no real "power" over you and thus there is no need to think we must always listen to those who have these contrived rankings of self importance. In many ways, modern occult fraternities as well as old ones such as the Golden Dawn are playing a kind of elaborate dungeons and dragons so to speak. Its role play and completely psychological ,even if the participants are not conscious of it.

Most rituals are used to Anchor the mind but they do nothing to the spirits. In the 72 sessions that will follow, I will pick an issue based on the

demons functions as examples. You may have other issues you may want to use. I will use most common. The demons have various function and you may replace the ones I use with other issues.

Here are the steps to tapping into the 72 Angels of God

1. Say Psalms 91 (I will write out the text for Psalms 91 below). This is a Psalms for Protection
2. Think of the Issue You need Resolution for
3. Place the offer of the Meat or Egg on the altar
4. Pronounce the Name
5. Tell the Demon What you Want
4. Finish with saying "Let it Be done"

That is all. If you feel you need to light candles and incense you may do so, but these demons do not require anything more than your honest request.

Psalms 91 - NIV Bible

¹ Whoever dwells in the shelter of the Most High
will rest in the shadow of the Almighty.

² I will say of the LORD, “He is my refuge and my
fortress,
my God, in whom I trust.”

³ Surely he will save you
from the fowler’s snare
and from the deadly pestilence.

⁴ He will cover you with his feathers,
and under his wings you will find refuge;
his faithfulness will be your shield and rampart.

⁵ You will not fear the terror of night,
nor the arrow that flies by day,

⁶ nor the pestilence that stalks in the darkness,

nor the plague that destroys at midday.

⁷ A thousand may fall at your side,
ten thousand at your right hand,
but it will not come near you.

⁸ You will only observe with your eyes
and see the punishment of the wicked.

⁹ If you say, “The LORD is my refuge,”
and you make the Most High your dwelling,

¹⁰ no harm will overtake you,
no disaster will come near your tent.

¹¹ For he will command his angels concerning you
to guard you in all your ways;

¹² they will lift you up in their hands,
so that you will not strike your foot against a stone.

¹³ You will tread on the lion and the cobra;

you will trample the great lion and the serpent.

14 “Because he loves me,” says the LORD, “I will rescue him;

I will protect him, for he acknowledges my name.

15 He will call on me, and I will answer him;

Conclusion

We have come to the end of this text. I know it might not seem like much, but what you have just learned here will unlock the powers of these demons. Often we are beguiled by overly complex methods of magick. We think "if it is elaborate and complex, it must be effective." This, my friend, is not the case. Magick is our birthright and thus should not be difficult

I am confident that by simply doing these exercises with the 72 demons, you will gain great benefit. They are, after all, the 72 demons of the Name.
