

Care aspirants.

Do what thou wilt shall be the whole of the Law.

It's been a while since I'd given an update. Figured I'd post some of the books I've collected in the last few weeks. For those that missed it, Sex and Religion has been added, finally, and can be found in the A.'A.'. > Libri folder. This thread will be the new home of my library updates. When I need to update, I'll post the next catalog of what's been added. Remember, I'm always open to suggestions and my email can be found in the letter two in the update file.

Magick and Mystery in Tibet

Traditional and Innovative Trends in Post-Gardnerian Wicca

So that's another 30+ texts, but the grade materials of SRIA tend to be short.

Next I think I'll post the actual SRIA grades, as they're kind of the inspiration for the G.'.D.'. and thereby all systems derived from the G.'.D.'.

Sometime tomorrow or the day after, I'll be acquiring a copy of Salomonic Magickal Arts. It's a Scandanavian blending of Solomonic and folk magic, much in the vein of Galdrabok. Beyond that, I'm still on the look-out for Teitian Press editions, any that may be floating around, but they might be another that I'll have to obtain and scan to post.

Enjoy!

Love is the law, love under will.

Frater Katabaino
